

Standards Against Child Sexual Abuse & Exploitation (CSAE)

Last Updated: 14-05-2026

Biznex is committed to creating a safe and respectful environment for its users. We have zero tolerance for **Child Sexual Abuse Material (CSAM)**, child sexual exploitation, grooming, or any behavior that endangers the safety and wellbeing of minors.

This standard applies to all users, all content, and all activity on **Biznex**. If you see something you believe may violate our policies, whether in profiles, posts, messages, comments, or anywhere else, please report it to us.

1. Prohibited Content & Activities

The following are strictly prohibited on our platform:

- Any sexual content involving minors (real or simulated).
- Nude, sexualized, or exploitative images, videos, audio or drawings of minors.
- Grooming or attempts to coerce a minor into sexual activity.
- Sharing or requesting sexual material from minors.
- Sexual comments, messages, or jokes directed toward minors.
- Links or referrals to external websites that host CSAE content.

Any violation will result in immediate suspension or termination of the user account and may be reported to law enforcement and child protection agencies.

2. User Reporting

We encourage users to report any content, message, or behavior that may be harmful or inappropriate.

You can report concerns related to child safety to our support team:

Email: support@niftrix.com or via the in-app **Feedback** feature in the **Help & Support** Section.

Feedback is reviewed as a priority and action is taken promptly.

3. Moderation & Enforcement

Our team may take the following actions when CSAE violations are detected:

Immediate account suspension or permanent ban.

Removal of offending content.

Preservation of evidence where legally required.

Reporting to relevant law enforcement authorities and cyber tipline agencies.

We will cooperate with:

Local and international law enforcement

Cybercrime units

Child protection agencies

4. Legal Compliance

We comply with all applicable laws including:

Sexual exploitation laws

Online safety regulations

Reporting obligations to child protection authorities

We will report violations to Local law enforcement authorities

5. Protecting Adult-Only Community Spaces

Biznex is intended only for users aged 18+. We do not target or solicit minors.

If we identify a user under the age of 18:

The account will be removed immediately.
